...letters...letters...letters...letters...letters...letters...letters...letters...

Dear Editor

I wonder if I could make a plea via the letters page of the Bar Hill News? During the summer a new dog arrived in Watermead, within barking shot of my windows. The owners seem to be keeping the dog outside, including at night. The little dog (it sounds like a little one) does what dogs do – it barks, and the barking carries. I for one do not appreciate hearing it bark late into the evening, nor indeed being woken during the night.

I wish the owners would consider their neighbours and allow the dog indoors. I am sure it would be just as good a guard dog inside as out.

[name and address withheld]

Dear Editor

I recently suffered the loss of my grandfather, and on researching methods to stop unwanted "junk" communications, I found the following services useful:

- The Telephone Preference Service:
www.tpsonline.org.uk/; 0800 398 893 / 0191 501 3681.
- The Fax Preference Service:
www.fpsonline.org.uk/; 0845 070 07 02.
- The Mail Preference Service:
www.mpsonline.org.uk/; 020-7291 3310.
- The Baby Mail Preference Service:
www.mpsonline.org.uk/bmpps/; 020-7291 3310.
- There is also an opt-out for unaddressed mail delivered by Royal Mail, such as letters address to "The Occupier":
www.tinyurl.com/bbhyy2w; 01865 796964. Currently, this service must be renewed every two years.

Unfortunately none of these services can prevent mailings from companies which have permission to contact you (often there is an opt-out in a little tick box), but it might reduce the total amount of "junk" received, and these services can be used by anyone.

There are also two Bereavement Services:
www.deceasedpreferenceservice.co.uk/; 0800 068 44 33,
and www.the-bereavement-register.org.uk/;
0800 082 12 30 / 020-7089 6403.

There is also a website called www.stopjunkmail.org.uk which offers a "Junk Buster" service that will contact several of these opt-out schemes at once. However not all of the schemes listed are covered.

All of the above are free of charge and can help residents opt out of unwanted communications. I hope this information is helpful.

Regards

Anthony William Mitchell

A14 Site Clearance Works

On behalf of the Highways Agency, CarillionWSP wishes to inform you that it will shortly be starting site clearance works on the A14 between junction 31 (Girton) and J32 (Histon).

The work is due to commence on 11 November 2013 and is expected to take approximately 5 weeks. It will involve removal of vegetation prior to the major works planned in 2014. The work will be undertaken between 8:00pm to 6:00am Monday to Thursday nights; and 9:00pm to 6:00am on Friday nights.

During the works there will be lane one closure on the eastbound and westbound carriageway and slip road closures of either junction 31 or junction 32. The programmed dates for the slip road closures and diversion routes are:

4–10 December: J31 eastbound link: traffic will be diverted southbound on the M11 to exit at junction 10 (Duxford) to join the A505 eastbound. Traffic will be directed to join the A11 northbound and re-join the A14 eastbound at junction 36 (Nine Mile Hill);

11–13 December: J32 eastbound exit slip: traffic will be diverted to continue on the A14 eastbound to junction 33 (Milton), traffic will re-join the A14 westbound and exit at junction 32.

CarillionWSP will endeavour to keep delays to a minimum, but they are expected, so please allow extra time for your journey or seek alternate routes. We apologise for any inconvenience during these essential works.

If you have any queries concerning this scheme, please contact CarillionWSP on 01767 684633 between 9am and 5pm; or the Customer Care department customercare@carillionwsp.com. Alternatively: Highways Agency Information Line on 0300 123 5000.

Yours faithfully,

Toni Vendell

Customer Communications Coordinator, CarillionWSP.

This letter arrived in October after BHN had gone to print. I hope the information is useful.

Attached to the letter was a 47-page .pdf file of a brochure published by the Highways Agency: "Cambridge to Huntingdon A14 Improvement Scheme: Technical Review of Options".

I have not read the brochure, so I don't know how useful or technical it is, but if anyone would like a copy I can forward by e-mail only. *Ed.*

LETTER FROM CLYDE, THE HEARING DOG

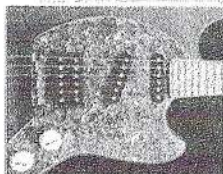

Hello – my name is Clyde. I'm a 2 year-old black Labrador/Retriever cross. I live with John and Diana Reynolds to help Diana as she's very hard of hearing. She uses hearing aids and lip reads, but she doesn't hear doorbells and timers etc.; so it's very important that I tell her if one goes off. I nudge her with my nose then lead her to the sound and show her. If the smoke alarm sounds I run to her and lie down, which is my danger signal. When her morning alarm goes off I wake her and show her the alarm. After I have woken Diana I wake John and have my morning cuddle. I go everywhere with Diana. I've been to parties, theatre, cinema, on buses and trains, as well as shopping. I like going away, especially to Cleethorpes where we go to the beach every day. I learnt to swim there when a fisherman dropped his fish back into the water. I rushed in to catch it for him but it swam too fast. I was so surprised to discover swimming I didn't want to go back on land, but I'm very obedient so when Diana called me I came out and had a good shake which soaked her! I love to swim but I don't like to walk through puddles.

When I am out in my uniform it is to tell people Diana can't hear very well, but she makes sure I have lots of fun and games.

I met Gus the other day. He was Diana and John's eighth and last puppy. He's a lovely boy and he and Diana were pleased to see each other. Gus's owner said he is a wonderful guide dog and has learnt their complicated routes very well. Diana is so happy that Gus has formed a close partnership. I am pleased I am living with Diana and John as their 'forever dog'. We're very happy together.

I hope you all have a lovely Christmas and New Year.

CHURCH MATTERS

KNIT AND NATTER...

...is on Thursday afternoons from around 1.15–3.15pm in the Octagon. We are a friendly and active group that produces hats, scarves and mittens for "Operation Christmas Child" shoe boxes. We make lots of other things too. By joining us, you will meet new friends as well as provide support to organisations that need voluntary help.

We have several outings a year, occasional lunches, coffee mornings, a Garden Party in August and a Christmas lunch.

You don't have to be able to knit; you are very welcome to come and "natter" and enjoy a sociable afternoon. For further information contact Sue Kenchington on 01954 780260.

Everyone is welcome of any faith, or none.

These are groups of young people, meeting once a month, to learn more about the Bible and the Christian faith.

Cafe Church

As an alternative to sitting in the Sunday morning service, the children & young people meet in the Octagon on 1st and 3rd Sundays, for breakfast and a learning activity.

Young Peoples Evening Worship Service

This informal service is for adults and young people and uses contemporary music and format. This is held at 6.30–8.00pm on the 2nd Sunday of the month, starting with cake and drinks!

For more information on any of these events contact Heather at familysmeth@ntlworld.com.

FEED THE HUNGRY

Bring a little extra joy this Christmas.

Even in an affluent county like Cambridgeshire there will be people this winter who struggle to buy enough food to feed their family.

Feed the Hungry is providing special food bags to encourage communities across the UK to support their local food bank this Christmas. We will be distributing the food bags during our 10am Advent Café Church on Sunday 1st December. The bags, with donations of non-perishable goods, will be collected the following Sunday 8th December at 10am and taken to Cambridge City Foodbank. A voucher system enables individuals and families in crisis to be given three days' worth of emergency food.

Our local Foodbank has seen a huge increase in demand in the past year, so please join us on 1st December, and take the opportunity to share a bit of joy with those who are struggling this Christmas.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. This year the groups also studied the television adaptation of 'The Passion of Christ' during the period of Lent. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

With Blessings in Christ

Jenny Patton – Small Groups Coordinator

CAMBRIDGESHIRE COUNTY COUNCIL NEEDS YOU TO HELP CHANGE THE LIVES OF LOCAL CHILDREN AND YOUNG PEOPLE

Foster Carers provide a stable family support network for local children and young people when they are unable to live with their own family. Every year we have over 425 children and young people looked after by Cambridgeshire County Council.

The shortage of Foster Carers means that children and young people are placed with independent foster carers or residential units, some outside Cambridgeshire. They may also be looked after within the county children's homes. We need to recruit more Foster Carers in order to give them the best possible future.

Foster Carers come from all kinds of backgrounds. It may be that you have your own children or you may have worked with children before. You may have no experience of children or possibly are considering a career change?

Every child is different so we need different Foster Carers, if you can offer stability, security and the positive experience of a loving family then we want to hear from you.

You might be: • married, in a civil partnership, single or living with a partner; • from an ethnic background; • in a same sex relationship; or • in work, unemployed or retired

Recruiting local people will mean that children and young people can live in their own community, continue to attend the same school and maintain contact with their family and friends.

We offer generous allowances including a start up package, 24 hour support and full training.

FRIENDS OF BAR HILL LIBRARY

Your first resolution for 2014: whatever your intentions for 2014, please include supporting your local Library among them. The best way to do that is to use it.

Subscriptions: make renewing your subscription a priority. You can do that during December and January by calling at the Library. The cost remains the same as in the last few years: £6 for individuals and £8.50 for family members living at the same address. We'll be sending you a reminder in case you forget.

Future events: planning continues. We shall keep you informed.

Coffee mornings: to meet Friends and lots of others, come along to a coffee morning in the Library. These are held on the first Thursday of each month from 10am to noon. That means 5 December 2013 and 2 January 2014 are the next dates for your diary.

Come along in December for a demonstration of ways you can use your home computer or smart phone to access the services the Library offers. See the notice from Library and Information Service on page 1.

- CANCER CARE -

Please support our gift stall at Bar Hill Community Christmas Market on 7th December.

There will be some lovely items: CDs, books, fun gifts, new items and lots more! If you have any items you could donate, please contact me. Many thanks.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities, from 10.30 am at Bar Hill Library

on the following Saturdays:

14 and 28 December 2013;

11 and 25 January 2014

Storytime welcomes small children into the Library twice a month. Open to children of pre-school age and their older brothers and sisters who are accompanied by an adult, it offers half an hour of book-based enjoyment.

On the first Saturday there is a theme – recent choices include the weather and things that go wrong – explored in stories, songs and craft activities. At the third Saturday children choose what they would like from the stock held for the very young.

This free event introduces children to their local library, revealing to them all that is to be gained from learning to read. No need to book; just come along.

DECEMBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

It's the time of year to enjoy a tippie with friends, cook heaps of delicious food and deck the halls!

The fire service has these messages to make sure your festive cheer doesn't go up in smoke:

- Kitchens are a fire hotspot, so take care while cooking your Christmas dinner. Never leave cooking unattended and turn off appliances when not in use.
- Switch off fairy lights and unplug them before you go to bed or leave the house. Make sure they confirm to the British Standard and never overload plug sockets.
- Be careful when drinking alcohol while smoking or cooking.
- Finally, make sure you have a working smoke alarm which is correctly fitted. And NEVER take the batteries out to power presents!

Like our fan page on Facebook: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

- 2) leave your Christmas shopping on view in the car while you go to another shop;
- 3) pile presents round your tree in full view of the front window;
- 4) place your handbag in the shopping trolley while you turn to the shelves;
- 5) stock up your freezer in an unlocked garage;
- 6) leave your house in darkness when you are out in the evening;
- 7) only leave a hall light on (who lives in the hall?);
- 8) when your neighbour is away, leave their newspapers etc. poking out of the letter box;
- 9) leave the engine running to warm up the car while you go back in the house;
- 10) leave packaging by the wheelie bin to advertise the wonderful presents you've received.

Remember – for the criminal it only takes a moment; for you the effect lingers a long time.

Wishing you all a safe and happy Christmas.

CAMBRIDGESHIRE COUNTY COUNCIL

Stay independent, safe and well this winter

If you or someone you care for needs advice about keeping independent, safe and well this winter, the County Council's adult social care websites Your Life, Your Choice www.yourlifeyourchoice.org.uk and AskSARA online advice and equipment guide

www.cambridgeshire.gov.uk/asksara provide information about keeping warm, preventing falls and the help that may be available to older and vulnerable people if they are unable to get out and about. If you are unable to access the Internet staff and volunteers in the library can help you to find the information you need or you can contact adult social care customer services on 0345 045 5202. You can also 'AskSARA' about daily living advice for disabled children too.

Since it launched in February 2012, AskSARA Cambridgeshire's online guide to advice and equipment has been visited by nearly 4,500 people looking to enable them, or someone they care for, to remain independent in their own homes for as long as possible.

After the success of AskSARA for adults, a children's version has recently been launched. AskSARA for children is a quick online guide for finding information about products and services to help children with daily activities in the home and when they are out and about.

Information and advice about funding, equipment and carer support is also provided. To visit the children's site, use the link at the top of the web page at www.cambridgeshire.gov.uk/asksara.

Did we get it right?

The Cambridgeshire Health and Wellbeing Board has been reviewing local pharmaceutical services – services that help you get and use medicines or medical equipment safely. Our views about these services are written up in the Pharmaceutical Needs Assessment. We want to know if you agree with what we have written. We are asking for **your feedback** between 4 December 2013 and 14 February 2014. You can give us your thoughts by completing a questionnaire, either at your local pharmacy, dispensing doctor surgery, or online at www.cambridgeshireinsight.org.uk/JSNA/PNA. **Please note** this web link will become live once the consultation period starts; it is currently showing as 'unfound'.

REPORT TO PARISH COUNCIL DECEMBER 2013 – JANUARY 2014

REPORT FROM YOUR COUNTY COUNCILLOR JOHN REYNOLDS.

If I can be of help please contact me John Reynolds,
4 Hollytrees, Bar Hill, CB23 8SF. T: 01954 200571.

E: office: john.reynolds@cambridgeshire.gov.uk;

home: j.e.reynold@ntlworld.com.

HOUSING-RELATED SUPPORT FOR OLDER PEOPLE

Historically, this has been available only to older people living in sheltered housing. Those in the wider community are often isolated with limited access to services. A survey showed strong demand for free advice to live healthy and independent lives. It also highlighted a significant split between older people's expectations if they live in private or sheltered housing. The Housing Related Support for Older People Project is part of the Quality for Adults Programme. It aims to make housing related support available across Cambridgeshire. I can provide further briefing and a set of Frequently Asked Questions (FAQs).

A14 CONSULTATION

Last month the County Council Cabinet met to agree a response to the A14 Consultation. Points:

1. Bar Hill residents living close to the A14 are affected daily by pollution and noise. *HA asked to undertake a proper assessment.*
2. The HA proposals do not show details of cycling and walking routes. Many residents of Bar Hill and surrounding villages would benefit from this. *Provision of cycling and walking access called for.*
3. The Northstowe development indicated an access road from Northstowe to Oakington road / A14 at Dry Drayton. HA draft plans have removed this link. Therefore traffic may access the A14 at Bar Hill. *Extra road/junction capacity at Bar Hill called for to accommodate traffic.*
4. Residents of Bar Hill and Boxworth are concerned that increased traffic using the Bar Hill – Swavesey junctions will create congestion at peak times. It is clear proposals reduce the ability of traffic to use these junctions; resilience of the transport system will be at risk. *Request that HA rethink design of the junctions to improve resilience.*

CAMBRIDGE FUTURE TRANSPORT (CFT)

CFT is a programme aiming to develop innovative solutions to the current transport needs in Cambridgeshire. Currently under review is "Area E" which covers the A14 Corridor between Cambridge and Huntingdon. Services under review that may affect our area are: 2: Cambridge/Boxworth; 8: Elsworth/Cambridge; and 9: Elsworth/St Ives.

The first meeting, to which representatives of local parishes were invited, discussed questions and comments on the plan; existing transport services; local Champion(s) for the project; and identified possible members for a Working Group.

HELPING HAND TO GET OFF AT THE RIGHT BUS STOP

The County Council has fitted "next stop" sound displays to Guided Buses. Service A and B buses have already been fitted; Service C and D will be updated by the end of November. The project is to be extended to other services on an ongoing basis.

We look forward to meeting you and your child soon. Little Acorns Pre-School, The Sparc Building, Gladeside, Bar Hill, Cambridge CB23 8DY. Tel: 07851 803083 littleacorns.barhill@ntlworld.com.

MONTHLY REPORT FOR DECEMBER 2013

South Cambs Action on Energy: do you need help or advice? If you require advice on how to source loans for home energy saving measures, South Cambs has a Parish Energy Officer, Siobhan Mellon. Ms. Mellon can advise on who qualifies for free insulation and how to source loans for home energy saving measures.

Council fraud busters featured on BBC television series. A benefit fraud investigation that recovered thousands for taxpayers in South Cambs featured on the BBC television series 'Saints & Scroungers'. It gave insight into how the Council identifies a major fraud and its action to recover overpaid benefits. The case featured involved tens of thousands of pounds of overpaid benefits claimed over a number of years from two councils and the Department for Work and Pensions. Viewers heard how Council investigators gathered evidence and built a case against a woman who was claiming as single parent, but actually had a partner living with her who was in full time work. All of the overpaid benefits, together with full legal costs, were recovered.

Help stamp out fraud! Residents are being urged to report their suspicions to help combat fraud with a campaign dedicated to raising awareness, detection and prevention. Over the last four years nearly £700,000 has been identified by South Cambridgeshire District Council fraud investigators. Just over 100 cases were successfully prosecuted and financial penalties and cautions imposed in a further 129 cases. If you suspect fraud, please visit www.scambs.gov.uk and click on the 'report it' button; or e-mail benefitfraud@scambs.gov.uk, or call the dedicated fraud hotline on 0800 7311 892. This can be done anonymously.

Are you renting your home? Do you need advice? See South Cambs Magazine for advice on Local Housing Allowance, Guide to Private Renting, Housing in Poor Conditions, Landlords' Responsibilities. Do report any problems: Housing: 0345 045 0500; Environmental Services: 0345 045 0063; General Enquiries: 03450 450 500.

South Cambs Medium Term Financial Strategy. We need to make savings in order to meet the challenges the government is handing out. There are a number of areas where savings will be made, such as waste and recycling, and conservation. Hopefully this will meet immediate needs - but there is still a potential hole for 2015-16.

Response to the draft Local Plan. Around 8,000 responses were received during a consultation on plans for 22,000 new jobs and 5,000 additional homes up until 2031. The plan would see a new town built north of Waterbeach, a new village at Bourn Airfield and a major extension to Cambourne. Comments made during the consultation are being processed by SCDC, and once registered will appear on the Council's website. For full details of the proposals put forward as part of the draft Local Plan visit www.scambs.gov.uk/localplan.

SALON "SET FOR SUCCESS IN NEW PREMISES"

A new, independent beauty and therapy treatment salon has opened in Bar Hill.

Francine Cox is the owner and therapist behind the business, which has opened at The Old Farmhouse, Gladeside, a property she is leasing from Bar Hill Parish Council. The property has been unoccupied for three years, having had previous uses as a parish council office and youth club.

Francine has been working as a trained therapist for 11 years and she has re-located her business, **Total Relaxation**, from the Menzies Hotel at Bar Hill.

The move sees the expansion of the salon, offering new and established clientele a suite of treatment rooms, pedicure and manicure stations. The salon will also host its own hairdresser.

Bunty Waters, member of Bar Hill Parish Council, welcomes the commercial use of The Old Farmhouse property, as well as the launching of a new business in the heart of the village. She says: "It's good to see a positive use of the Farmhouse and this will generate income for the village. It is particularly pleasing that it's being occupied by an independent local business which has ambitious expansion plans. The reputation and client base that Francine established during her time at the hotel means she's set for success in her new salon."

Telephone 01954 789344; or go to
www.total-relaxation.co.uk for more information, a list of treatments, prices and launch offers.

MIGHTY OAKS @LITTLE ACORNS

It is with great regret and sadness that, due to ill health, I am closing The Play Station, Bar Hill Out of School Club. I am so sorry for any inconvenience this will cause, but I have thought long and hard and have not taken the decision lightly. I will finish running the Club on 20th December 2013, having opened nearly 14 years ago in January 2000. I'd like to take the opportunity to thank parents, staff and everyone who supported us over the years. It has been much appreciated.

In January 2014 the out of school club will re-open under the ownership of Little Acorns Pre-School. The new club will be known as **Mighty Oaks @Little Acorns**. It will continue to offer good quality out of school care to the children of Bar Hill and surrounding villages.

Opening hours: after school 3-6pm; school holidays full day care from 8am-6pm - for children age 2-11 years. We will have an open day at the beginning of January. More details will follow. Everyone is welcome and we hope to meet many of you there. In the meantime if you would like to contact us our email address is mightyoaks.barhill@virginmedia.com (available from the beginning of Dec).

**BAR HILL RESIDENTS ARE REMINDED
TO "CHOOSE WELL THIS WINTER"**

Winter brings coughs, colds and flu so it is good to be prepared. Make sure you have a supply of remedies at home to help care for you and your family. If you need regular medication, make sure you have enough; collect any prescriptions in good time before the Christmas and New Year holidays.

Cambridgeshire and Peterborough Clinical Commissioning Group (CCG) is asking residents to familiarise themselves with the range of local health services available, and which illnesses and injuries they treat. Last year unnecessary use of A&E services cost £2 million, which could have treated 500 heart attack patients or paid for 250 hip replacements.

Here's a reminder of local NHS services:

- **Pharmacies** can help with bugs and viruses, skin conditions, allergies, pregnancy testing and stopping smoking.
- **GPs** can help with backache, earache, painful coughs, mental health conditions and any illness or injury that won't go away. Your GP has an out-of-hours service. Ring your GP's number and you will either be put through or hear a message telling you who to call.
- **Walk-in centre or minor illness or injury units** can help with minor burns and scalds, bites and stings, strains and sprains and minor eye or ear problems.
- **YOU** can look after colds, coughs, sore throats, hangovers, tummy upsets and grazes with a well-stocked medicine cabinet.

WATCH YOUR WASTE – NOT YOUR WAIST – THIS CHRISTMAS

Christmas is traditionally a time for generosity, indulgence and feasting. We love to give presents, feed family and friends and eat our own bodyweight in festive fodder.

It's not only our waistlines that gain weight at Christmas. Festive bins are the fattest of the year, with an extra 750,000 tonnes of waste in England alone, an increase of around 30%, generally made up of food waste, glass bottles, packaging and gift wrap. To make it as easy and convenient as possible for you to recycle and compost your festive waste, here are a few tips.

Blue Bin: Most packaging can be placed in the blue bin, including glass bottles and jars; tins and cans; cardboard (large pieces can be flattened and placed next to your blue bin for collection); greeting cards; all types of gift wrapping; plastic pots, tubs, trays; plastic

packaging; plastic film (all types as long as clean). If your blue bin is full, extra recycling can be placed out for collection in a cardboard box or returnable container.

Paper Caddy: newspapers; magazines; leaflets; greeting card envelopes.

Green Bin: all food waste (cooked or raw); real Christmas trees – when cut up and placed inside the bin.

If you follow these simple steps, your black bin should remain practically empty with only non recyclable and non compostable items, such as polystyrene and nappies. Remember, collection days change over the festive period due to the Bank Holidays. Look out for your collection calendar in the winter edition of the South Cambs Magazine. You can also find it online at www.scambs.gov.uk/bins-by-parish, and in your Bar Hill News.
